21,443 TONS OF ANTHRACITE FOR NORWICH IF DEALERS CAN GET

Norwich has an altotment of 21,443 net tons of anthracite coal between now and April 1, 1923, but this will be received only if the dealers can get it. If this amount of anthracite is sequred here the contire supply of anthracite will still be 16,611 net tons less than the total receipts of egg, stove, not and pea coal a year ago.

This information was given out in a statement Tuesday night by Martin E. Johan local fuel administrator, who

a year ago.

This information was given out in a statement Tuesday night by Martin E. Jensen, local fuel administrator, who remarks that the necessity for economy and the use of substitutes is obvious. The following was the matement is sued by Mr. Jensen:

Between April 1, 1921 and April 1, 1922, Norwich received 55,516 net ions of egg. stove, nut and pea coal.

The allotment for Norwich—if the dealers can get it—from April 1, 1922 to April 1, 1923 is, 38,905 net tons; a decrease in supply of 16,611 net tons, for the current coal year.

Called, is \$1.00 the allother E. JENSEN.

MARTIN E. JENSEN.

Some shipments of coal are now being made in box cars as the railroads are using this type of cars to get the coal decrease in supply of 16,611 net tons, for the regular type of coal cars. Bot cars loaded with coal have been seen of trains going through this city.

James C. Macpherson, first vice prest-dent: Arthur L. Pwale, secretary; Geo. Take a glass of Salts if your Back hurts or Bladder bothers.

Flush your kidneys with salts occasionally, says a noted authority, who
tells us that too much meat and rich
food may form unic acid, which almost
paralyses the kidneys in their efforts
to expel it from the blood. They become sluggish and weaken; then you
suffer with a dull misery in the kidney region, sharp pains in the back or
sick headniche dizziness, your stomach
soura, tongue is coated, and when the
weather is bad you have rheumatic
twinges. The urine gets cloudy, full
of sediment, the channels often get
sore and irritated, abliging you to seek
relief two or three times during the
night.

To help neutralize these irritating cids to cleanse the kidneys and flush if the body's urinous waste, get four sinces of Jad Salts from any pharmacr here; take a tablespoonful in glass of water-before breakfast for glass of water-before breaklast for a few days, and your kidneys may then act fine. This famous saiks is made from the scid of grapes and lemon julce, combined with lithia, and has been used for generations to flush and stimulate sluggish kidneys; also to neutralize the acids in urine so it ne longer irritates, thus often ending bladder weakness.

Jad Saiks is inexpensive; cannot injure and makes a delightful effervescent lithia water drink.

the highest tribunal on the day it reconvenges, remaining while the court delivers its opinions.

In-official democratic circles here there
is a belief that the vacancy will be filled by the appointment of a democrat.
When Justice Clarke, who was a democrat when appointed, recently resigned,
he was succeeded by Justice Sutherland,
a republican. Among those named as
possible selections in democratic circles are Senators Shields of Tennesse
Walsh of Montano, Pomerene of Ohio,
and Underwood of Alabama. John W. Waish of Montano, Pomerene of Chio and Underwood of Alabama. John W. Davis of West Virginia, former ambassador to Great Britaio, is also being mentioned for the vacanty.

Justice Day, who is 75 years of age, was introduced to national life by President McKimley: who brought him to Washington from Ohlo in 1897 as assist-

in a few months resigned to become chairman of the American peace come. on to Paris at the close of the war with pain. He was appointed to the superior ourt by Procident Roosevelt in 1981 Justice Day has been regarded by the ben'h and har as one of the most valuable members of the supreme court

CO-OPERATIVE EXCHANGE OF

TOBACCO GROWERS' FORMED Louisville, Ky., Oct. 24.-The American Tobacco Growers' Co-operative Exchange was brought into being at a meeting here today of representatives of the Co-operative Association of Tobac-co Growers of the United States and Canada. Formation of the Inderation came at the final session of a two days'

conference.

Concentration of the strength of the individual tobacco co-operatives under a common head for the protection and profit of each member of the association was declared to have been the aim of the representatives of the various leaf organizations in formula the observations. The past week is the first week this fall in which the total number of cases of measles, reported exceeded the corresponding weeks in 1920 (33 cases) and 1921 (20 eases).

Scarlet fever meumionia and whooping cough are showing the seasonal increase in prevalence.

The number of typhoid cases (6 cases) compares tavorably with the corresponding week in 1921, when there were 18 reported.

The past week is the first week this organizations in forming the exchange.
